1st March 2018

Dear Parents/Carers,

Thank you for your understanding regarding the closure of the school on Wednesday 28th February 2018 due to having insufficient staff to properly supervise students.

It is difficult to prepare in advance as the weather continues to change however it is the school's first priority to be always open for students. We endeavour to inform parents via the school website.

Friday 2nd March 2018 the weather forecast is for heavy snow later in the day. The school plans to be open as normal but will operate an adapted day. This means the day will end at 1.35pm. Students will attend normal lessons period 1-4 and will be able to obtain lunch in the morning break as we will provide an extended menu.

The earlier finish will allow staff and students travelling time to get home safely during daylight hours when the roads are less busy.

In the event of snow, please ensure that students are dressed appropriately for school with warm coats, hats, gloves and scarves. In particular, our normal rules on school shoes will be relaxed. Please ensure that your sons/daughters wear the shoes or boots that you think are the most suitable for them in the circumstances. They need to be waterproof and have good grip in icy conditions.

Please continue to check the school website for regular updates.

Thank you for your continued support.

Yours faithfully,

Ms R Walsh
Headteacher
