20th April 2020

Dear Parents/Carers,

I hope you all had a restful Easter break and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the chance to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's understandable if you and your child feel anxious and frustrated at the moment. We're here for you every step of the way as we figure this all out together.

Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by contacting us via the MyEd App. If your child has any issues at all, they should contact their teacher or Year Head so we can help.

We miss having the pupils in school, but we must continue to follow the government's guidance to keep everyone in our community safe. So, we're carrying on with online learning and calling you on a regular basis to talk about your child's wellbeing, work and other matters.

Our teachers will be setting plenty of tasks for pupils to get stuck into over the summer term. To further support you and your child we will be sending a weekly parent/student bulletin which will detail the work set for each subject for the coming week. It will also include a Thought for the Week as well as message from each Year Leader. Please ensure you read the bulletin and find time to talk through it with your son/daughter. Do remind your child to take breaks away from screens as well, and also make time for having fun and connecting with friends and family.

While we can't say yet when we'll be able to open the school fully, rest assured that we'll continue doing our utmost to keep pupils learning and the school connected.

Yours faithfully,

Ms R Walsh
Headteacher
